EXPRESS TRANSPORT VIA ROAD

When you transport with Ianis Cargo Express you're shipping with specialists in international express shipping !

We deliver almost anything-be it an important package, a box , a pallet or a 1.200 kg load!

No sudden extra charges, no weird fees. You will know the price from the very beginning and you will love it.

Our extra transports are generally direct tours, except you have other wishes. That means, we take the direct and fastest way from your destination to your customers destination.
